MEMORANDUM FOR THE RECORD

SUBJECT: Luncheon Meeting with Deputy Secretary of State,  
25 October 1985

1.

6. State and Defense agreed on the need to coordinate briefings on the Hill. A letter should be prepared going to Weinberger and Whitehead, with copies to Armacost and Abramowitz, saying that I've asked somebody, Dick Kerr or Bob Gates, to get in touch with the appropriate person in their organization to see that each of the organizations is kept informed of sensitive briefings requested on the Hill. You might attach a copy of my letter to McFarlane and to Briggs on this subject. You might add NSC to the list of addressees.
